C64 THE HOBBIT

The Hobbit is a classic adventure game for the Commodore 64. It is a port of the 1982 book game 'The Hobbit' by E. R. Brackley. The game is set in the world of Middle-earth, and you play as the character Bilbo Baggins. The game is a text-based adventure, and you can interact with the world using a variety of commands. The game is known for its detailed descriptions and its challenging puzzles. It is a must-play for fans of the Hobbit and for anyone who enjoys a good text-based adventure.
